JOHNSON: What happened at [REDACTED] on 30AUG13?

[REDACTED] I was riding my bike up [REDACTED] and a police was chasing another suspect, I don't know who he is. So as I'm riding my bike one of the officers jumped out on the right hand side and chased another suspect. The squad car was reversing and they reversed into me. It hit me off of the bike and I fell off on my ankle. I was unconscious and a little dizzy and my ankle was swollen. The squad car stayed there for about two minutes, maybe less, and the driver asked "was I alright" and I said "No." Then he asked "What hurt on you?" and I said "My ankle." Then the officer that jumped out to chase the suspect jumped back in the car and they rode off. I was riding my bike but I didn't hear any sirens so I didn't know they were chasing someone until I fell off my bike. I limped back to the house with my bike. I didn't have a phone so I couldn't call my mother so I limped to the house to get my phone and call my mother. My mother came to the house and called the ambulance.

JOHNSON: Can you describe the officers?

[REDACTED] They never got out but I just know that one in the back had a bald head. The driver was chubby. All three had a bald head.

JOHNSON: Can you describe the car?

[REDACTED] Black Impala.

JOHNSON: What were you wearing that day?

[REDACTED] School pants. White T-Shirt, Flip-flops.

JOHNSON: What brought you to the area of [REDACTED]

**INVESTIGATION:**

On 9 September 2013, the undersigned was assigned to Log #1064594 for the purpose of conducting an investigation into an allegation of misconduct by the accused unknown Chicago Police Officers, which occurred on 30 August 2013. The Reporting Party, [REDACTED] was making this complaint on behalf of her son [REDACTED] [REDACTED] M/17, who is a minor. [REDACTED] alleges that the accused officers failed to render aid after knocking him off of his bicycle with a department vehicle. (Attachments 1, 4).

The undersigned spoke with the Reporting Party and her son on 13 September 2013 and scheduled an appointment at the Bureau of Internal Affairs for 18 September 2013 at 1700hrs. A Certified Letter was mailed to the Reporting Party following said telephone conversation (Attachments 5, 6).

In furtherance of this investigation, the undersigned learned that POD Cameras were located within a half block of this incident and requested retrieval of said video via the ICLEAR POD Video Request System. Video was requested from POD Camera #362 located at 1101 N Central Park and POD Camera #85 located at [REDACTED]. The time frame requested was one half hour before and after the reported time of the incident. Upon viewing the video, the undersigned found that Camera #362 was fixed to capture only the southwest corner of Central Park and Thomas. This camera did not capture the location of the incident. Although Camera #85 does capture the location of the incident, it was programmed to pan and tilt through a sequence that did not allow it to be fixed on any location for more than 5 second during its rotation, including the location of this incident. Nothing was captured on either POD Camera that definitively shows a Chicago Police Department vehicle in the area at the time of the incident, nor the incident itself (Attachments 7, 8).

On 18 September 2013, the Reporting Party, [REDACTED] and her son [REDACTED] came to the Bureau of Internal Affairs and agreed to give a statement in regards to the incident that occurred on 30 August 2013, which they alleged that police misconduct took place at [REDACTED]. During the "Question and Answer" statement both parties were repeatedly explained, and stated that they understood, why a Sworn Affidavit was required and the legal consequences under Illinois State Law.

## **INVESTIGATION (CONT)**

During the interview the undersigned noted that [REDACTED] was inconsistent with his accounts of the incident including whether or not the officers got out of their vehicle, the description of the accused, and the purpose of having the need for therapy on his ankle.

Nearing the conclusion of the statement both parties answered that they would sign the Sworn Affidavit and the Statement after reading it in its entirety. After briefly summarizing the allegations on a Sworn Affidavit and printing the formal statement, The Reporting Party [REDACTED] stated that she doesn't understand the legal jargon used in the affidavit. The undersigned again explained to the Reporting Party that by signing the document, she is swearing to the truthfulness of the allegations made by her and her son, and that they could be penalized if the allegations made were not in fact as stated. After a she requested a break and upon returning, [REDACTED] signed and then stated that she only has a fifth grade education, and because of this, she did not understand the document nor did she wish to sign any papers. She went on to say that she would rather leave and handle these matters further with an attorney. At that time [REDACTED] was asked by the undersigned if she would sign the printed statement and a Letter of Declination. She said "No, I don't understand anything." The interview and this meeting with the Reporting Party and her son were terminated, and they left on their free will without signing any documents pertaining to this meeting (Attachments 9, 10, 11).

Due to the fact that the Report Party, [REDACTED] and her son [REDACTED] refused to sign a Sworn Affidavit, the investigation into this allegation will be classified as Closed-No Conversion (Attachment 3).
